

Compliance Management Service Specific Licensing Terms

Additional Definitions for AI Governance & RegComply or CrossComply are included in the Compliance Management Bundle. The underlying Service Specific Licensing Terms for the Services listed in the applicable Order included in the Bundle apply as applicable except as modified by these definitions:

Definitions as applicable:

A "Bundle" is two or more Services which are included in a named and inclusive product listed on an Order Form.

A "Bundle User" is a Core User given access to any of the Services included within a Bundle. Each Bundle User receives a unique account that may not be shared or used by anyone other than the designated Core User.
